108 E. Polk, Suite 74,
Burnett, TX 78611

Subject: Cause 18504 - REQUEST FOR FINDINGS OF FACTS AND CONCLUSIONS OF LAW

Judge Garrett,

On 8/14/14, you gave an order that I believe is contrary to Texas Local Government 211 which is the law under which I filed my original petition for judicial review. I have filed a motion for interlocutory appeal and requested a motion hearing which I understand to be the appropriate action when petitioner and judge disagree on the law. You are denying the hearing and motion until I comply with the order that is contrary to the law.

Please state, in writing, your findings of fact and conclusions of law.
