Subject: Open Government Complaint dated April 15, 2014

Dear Mr. Kutnick,

On April 15, 2014, I submitted an open government complaint to the Office of the Attorney General. Ms. Karen Hattaway transferred the complaint to you because of the criminal nature. We talked on the phone regarding the details of the complaint and you indicated you needed Llano District Attorney Wiley McAfee's permission to proceed which he then provided.

May I please have a status of the complaint.

Sincerely,

CC: Assistant Attorney General Karen Hattaway

CC: Llano District Attorney Wiley McAfee
